

September 2022

**Presentation Proposal Form 2022**

**Submission Deadline: Friday, June 17, 2022**

**Submit Completed Proposals to: [contact@m2s2.org](mailto:contact@m2s2.org)**

**GENERAL INFORMATION**

Presenting at the annual Midwest Medication Safety Symposium provides an opportunity to build your professional network. Presenting a content-rich session, individually or as part of a team, is a wonderful way to share knowledge, experiences, and ideas. The conference's program will showcase future directions, best practices, stories of successful collaborations, and lessons learned.

Proposals are selected to ensure the conference offers a comprehensive, noncommercial, objective, and diverse program. Presentations should incorporate a multidisciplinary approach to medication safety and include considerations for pharmacists, pharmacy technicians, nurses, and physicians.

Topics suggested by prior meeting attendees have included, but are not limited to:

- Expanded pharmacy technician roles
- Transitions of care
- Ambulatory medication safety
- Emerging Trends / Regulatory requirement
- Population health / Advancing Health Equity
- Medication administration safety

\*\*\* Due to the evolving nature of the Covid-19 Pandemic, M2S2 2022 will be ALL VIRTUAL September 15 and 16, 2022.

**If you have questions on whether a topic would be relevant, please email questions to [contact@m2s2.org](mailto:contact@m2s2.org) and someone on the Programming Committee will contact you discuss your presentation topic.**
